

San Francisco Opera – Opera in the Park

Sunday, September 8, 2024

Transportation Plan

San Francisco Opera will be reserving areas of Bowling Green Drive, MLK Jr. Drive, and Nancy Pelosi Dr. for vendor, crew, and staff parking for the Opera in the Park concert taking place in Golden Gate Park, Robin Williams Meadow, on Sunday, September 8, 2024. Rangers will be posting “No Parking” signs starting the night of Saturday, September 7, 2024.

This event is open to the public, and we expect the usual attendance of approximately 7,000-10,000 people. Consequently, public parking will be very limited for audience members. The following alternative transportation options will be available, and publicized on our [website](#):

- ADA – there is a designated ADA parking area and drop-off location near a path that leads directly to the meadow and ADA & Senior seating area.
- Bicycle valet – SF Opera has organized a bicycle valet parking area in conjunction with San Francisco Bicycle Coalition. The parking area is stationed on the East side of the meadow and can hold up to 300 bicycles. It is available to all attendees free of charge, from 9am – 5:30pm.
- Muni – the standard day-of Muni lines will be available (5, 7, 21, 33, N). No additional Muni buses have been organized for the event.
- [GG Park Free Shuttle](#) – there is a free and accessible shuttle service within GG Park. Guests are encouraged to get off at [the Tennis Center/Dahlia Dell stop](#) to get to Robin Williams Meadow.
- Rideshare – Uber/Lyft and other ridesharing options are highly encouraged. No designated drop-off/pick-up area has been organized for the event.
